We tried to organize a very good program. At the beginning on Saturday there will be a welcome party after the training in the LSZ with Herbert.

DAN-Examinations will take place on Saturday 11th of July 2015.

After the Saturday training there will be a party with barbeque also in the LSZ.

If somebody needs help to organize accomodation or other issues please informe us in time. So we will be able to help.

We appreciate your participation – see you soon!
